6. The subject litigation arises out of a motor vehicle collision that occurred on January 26, 2020, and the original Complaint was filed on January 6, 2022. This is the parties' first request to continue trial.
7. The parties propose the following three alternate dates to reschedule the trial:
  - October 21, 2024
  - November 4, 2024
  - November 12, 2024

...

...

For the reasons stated above, the parties respectfully request this Court approve the instant Stipulation and enter its proposed Order granting same.

Dated this 16th day of February 2024.
